Message from your Agricultural Society

Welcome to the 160th Caledon Fair

We are honoured to thank and welcome our members, volunteers and Sponsors to this year's Fair, and especially our guests, some of whom may be attending for the first time.

The aims and purposes of the Caledon Fair are to promote awareness and education in agriculture, and to provide an opportunity for the general public to be exposed to agriculture awareness, promoting the welfare of our local community, and rural living. Our Fair strives to have something for everyone in the family regardless of age or interest.

Our Fair theme for 2020 is "Remember When", and we're excited to be sharing our agricultural tradition with you.

Our Fair Board and Hall Division meet monthly all year in order to plan for the fair and other events we present to the community. We're all volunteers and we welcome any interest you may have in order to help it improve each year.

Volunteering is generally considered an altruistic activity as in intended to promote goodness or improve human quality of life. In return this activity can produce a feeling of self- worth and respect.

There is no financial gain involved for the individual. Volunteering is also renowned for skill development, socialization, and fun. It is also intended to make contacts for possible employment. It is helping, assisting, serving another person or persons without pay.

If you would like to participate in meetings, purpose ideas for activities or volunteer at our Fair, we welcome your support. Call any of our convenors, whose names and numbers are in the front of our book, and we'll be happy to give you our meeting information and welcome you to attend.

The Caledon Fair would not continue year after year without the hard work and planning of our directors and volunteers, the financial support of our sponsors and partners, and the great ideas suggested to us by our friends and supporters in the community. Thank you for supporting our Fair we hope to see you there.

“Remember When”

At this our 160th Caledon Fair, we look forward to a celebration of our past, recognition of Today while cultivating the future!

Ours is truly a wonderful rural community and we have ever so much to be proud of. As you enjoy your day, we hope you will reflect on those that came to the Caledon Village community 200 years ago. These early settlers left successive generations with ongoing inspiration to grow and mature. Today, our rich legacy is to proudly showcase all that is good about living in a farming community as rich and diverse as Caledon

Every year, Caledon Fair day is good family fun and rural charm at its best. Our Fair is a showcase for our heritage, our agriculture industry and the incredible talents within our community. Best of all, it is a great opportunity to meet friends and neighbours, to share conversations about times past and to exchange thoughts and dreams for the future of our community. To each and every one of our exhibitors, we are much blessed with your talents and we greatly thank you for your participation.

Our sincere appreciation goes to our members, sponsors and community supporters who help us throughout the year. Our Fair could not exist were not for the willing hands helping with the Fair, Canada Day Strawberry Festival, other events and ongoing grounds repair and maintenance work parties. A special thank-you to our volunteers, the Fair Committee and C.A.S. Directors for all your hard work. Thank you to the Town of Caledon for continually supporting us year after year. Thank you to all our sponsors, and individuals for all your donations in kind. You are the glue that keeps us going and your efforts are greatly appreciated. Looking to the future, we invite and warmly welcome community participation. We invite and welcome your participation!
